2022 FleetCon Speaker RFP

Program Overview & Learning Objectives

Insert a 200 word description focused on the benefits to attendees. It is crucial that your description appropriately describes the content of your presentation to avoid any confusion for participants. Write as you would have it appear in the conference program book, in third person present tense. Your 3 learning objectives should align with the 200 word description and give the participant knowledge of expected outcomes post attendance.
