

2021 FleetPros Vendor of the Year Nominations

Name: Terry Parsons
Title: Director of Operations
Company: Heil of Texas
Email Address: terryparsons@heiloftexas.com
Phone: 713-923-7600 Office; 832-948-8402 Cell
Chapter Affiliation: Texas

How long has the Nominee been a member of FleetPros? 7-9 years

Has the nominee actively recruited new members for the Association? Yes

Has the nominee served on a committee or the Board? No

What benefits has the Association received as a result of the nominee's service? With Terry's full support, Heil of Texas has sponsored a number of Texas Chapter Events, FleetCon sponsorships, exhibits, and events [national can verify which], and pledged a complete partnership with the Texas Chapter in all things related to FleetPros. With their help, we have been able to knock on doors in parts of the state previously unknown to us, host professional speakers to help our members sort out our personal and professional lives more effectively, gather at events for valuable networking with our peers, and feed everyone in attendance. There are so many supportive vendors, and all mean so much to us, but Heil of Texas has embedded their people and their involvement very deeply into our chapter's day-to-day matters, and their financial backing has been a tremendous boost. It is flattering that we mean so much to Terry and his Heil of Texas associates, who are not only associates to us, not only fellow members to us, but very much friends and family to us. Thank you, Terry Parsons and Heil of Texas, for your loyal commitment.

What tasks has the nominee voluntarily performed for the Association? Terry took it upon himself to make sure Heil of Texas officially budgeted quarterly sponsorships for FleetPros Texas Chapter. They mailed us checks regularly for our chapter meetings to be used where needed. No strings attached, no specific purpose other than to make sure we could run our meetings and make everything happen. When all normal sponsorships were taken by other vendors, he directed that Heil of Texas' part be used for extra events.

What has the nominee and/or his/her company done to promote the Fleet Management profession? Terry, his salespeople, and his branch managers personally promote FleetPros to all the fleet professionals they encounter in their own dealings with them, and encourage them to join FleetPros, attend meetings, etc.
